

THE
ULTIMATE

DollyCart™

Heavy-duty legs add stability and aid in dumping in the Cart configuration.

Super-sturdy handle makes hauling a breeze.

Solid steel and sheet metal for durability.

Convert in Seconds with QuickClips
Switch the handle on the DollyCart™ from the dolly to a cart configuration in seconds. NO TOOLS required!

Powder-Coated for rust protection.

20" pneumatic tires for easy movement. Solid rear axle for perfect balance.

Optional Tow Bar turns it into a versatile trailer.

Tailgate adds to the height of the Dolly and encloses the Cart.

- ACCESSORIZE FOR ADDED VERSATILITY -

Garden/Grooming Apron
Attach this apron to the back of the DollyCart™ & fill it with your garden or grooming tools. Then roll them out to your work place. If you need your tools in the barn or garage, hang it up using the sturdy adjustable straps.

The Garden Caddy
Bring all your tools plus a trash bag with you! Use the Garden Caddy with the DollyCart™ or hang it on a fence or in your garage or workshop. It holds 8 long-handled tools and standard 39-44 gallon trash bags. Easy to assemble and even easier to use!

DollyCart™ Tow Bar
Turn your DollyCart™ into a trailer with this heavy-duty Tow Bar accessory. Easy to attach, just hook one end to the DollyCart™ and the other to your ATV or riding mower.

The Saddle Rack
Made of durable steel & rubber coated to protect your valuable saddle and riggings. Two Saddle Racks fit on the DollyCart™ Or hang on a fence or 2x4.
