

# EZtote: 200, 300, 400 series

The EZ tote 200, 300 and 400 series are very easy to use and move on the sales floor, and allow customers to pass easily in narrow aisles. Their incredible nesting saves valuable floor space when stored. Additionally the 400 and Eco series carts are fitted with brakes.

*Easy and efficient unpacking*

*EZtote200 and 300 series carry most sizes of bus tubs*

*EZtote450 holds up to 500 pounds \**

*\* shown with optional add-on basket*

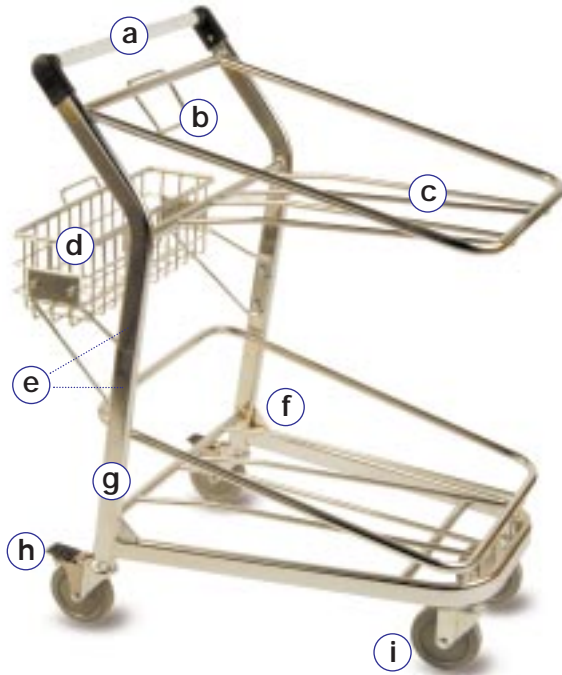

*EZtote450 with large baskets for picking, dump bins or returns \**

*EcoTote cart for recycling bins*

# specifications

- a**..... Handle allows for graphics on entire circumference - ideal for store name or logo
  - b**..... Hook below handles (300 and 400 series only) to carry most plastic trash cans for easy trash disposal
  - c**..... Bars support large boxed or bagged items--no sharp edges to damage bags
  - d**..... Strong spacious basket (19" x 5.5" x 6") to hold cleaning materials or smaller items (optional)
  - e**..... Two piece unit is easy to assemble and allows cart to ship via UPS, saving freight costs
  - f**..... Gusset plate increases strength of main frame
  - g**..... Oval tubing for greater strength and durability
  - h**..... Rear wheel brakes stop cart from rolling while unpacking (400 and Eco series only)
  - i**..... 5" heavyduty non-marking wheels with steel roller bearings (400 and Eco series only), 200 and 300 series fitted with 4" wheels
- Holds two or three restocking totes or large tubs or large baskets
  - Broad wheel base creates maximum stability
  - Superb 4" to 6.5" nesting (depending on model) allows greater economy of space in back areas
  - Basket and table attachments available for maximum multi-purpose flexibility (some models only)
  - Chrome plating finish for long lasting, clean bright look
