

EZtote: 500 series

The latest in multi-purpose cart innovation! The retractable top allows for comfortable unpacking and easy access to the lower level for both customers and employees. This cart reduces congestion and is easy to move on the sales floor. Its superb nesting saves valuable space, and its durable design easily carries up to 600 pounds.

EZtote545 with customer basket and odd-shaped items *

specifications

- a**..... Handle allows for graphics on entire circumference - ideal for store name or logo
- b**..... Hook on basket to carry most plastic trash cans for easy trash disposal
- c**..... Strong spacious basket (19" x 5.5" x 6") to hold cleaning materials or smaller items (optional)
- d**..... Two piece unit is easy to assemble and allows cart to ship via UPS, saving freight costs
- e**..... Oval tubing for greater strength and durability
- f**..... Gusset plate increases strength of main frame
- g**..... Grid type base supports large boxed or bagged items
- h**..... Rear wheel brakes stop cart from rolling while loading or unloading
- i**..... 5" heavyduty non-marking wheels with steel roller bearings
 - Holds two or three restocking totes, heavy items and large boxes
 - Broad wheel base creates maximum stability
 - Superb 9.5" nesting allows greater economy of space in back areas
 - Basket and table attachments available for maximum multi-purpose flexibility
 - Chrome plating finish for long lasting, clean bright look
