

plastic shopping carts:

- Tough, durable plastic will not rust, crack or fade
- Color identity and hot-stamped logos reduce theft
- Color compliments the merchandising theme of your store
- Plastic causes less damage to store fixtures and automobiles
- Customer preferred—lighter, easier to push and un-nest
- Cart width fits most aisles while maintaining maximum shopping capacity
- Excellent vision into cart allows checkers to see all merchandise
- Rounded bottom and offset diamond latticework reduces water tracking and keeps cart clean
